

How does it work?

Following payment of your registration fee, you will receive a link per e-mail half an hour prior to the start of the Webinar. When you click the link, the following window opens in your browser:

Please enter your given and surname and your e-mail address and click „register now“.

Medical considerations in geriatric dogs

Tuesday, November 20, 2012 1:30 PM - 2:30 AM CET - [Show in my Time Zone](#)

Webinar Registration

We all know that old dogs have specific problems. How best to diagnose and treat them, will be covered in this webinar by Robert Shiel of Murdoch University in Western Australia.

* First Name: * Last Name:
* Email Address:

* Indicates a required field

By clicking the "Register Now" button you submit your information to the Webinar organizer, who will use it to communicate with you regarding this event and their other services.

[View system requirements](#)

Afterward you will be presented with the link to the actual Webinar. You will receive this link per e-mail as well. This link is your individual link and must not be shared with anyone, as no two people can log in with the same link and you would risk your own exclusion from the Webinar!

Thank you for registering

Registration Complete

You have successfully registered for the following Webinar:

Medical considerations in geriatric dogs
Tuesday, November 20, 2012 1:30 PM - 2:30 AM CET

[Add to your Outlook calendar.](#)

A confirmation email has been sent to you.

Webinar ID: 357-550-846

You can try the link at any time, but you will only see the following page before the start of the Webinar:

Medical considerations in geriatric dogs

Come Back Later

This Webinar is not yet open to attendees. Please come back at the scheduled time below.

Medical considerations in geriatric dogs
Tuesday, November 20, 2012 1:30 PM - 2:30 AM CET

Starting approximately 15 minutes before the starting time (which would be 20 November 2012 at 1:15 p.m. in the case shown), the Webinar will be opened and you will see the first page of the Powerpoint presentation. However, the actual presentation will only begin at the designated time!
